

THURSDAY, 26 SEPTEMBER 2024

Dear parents and carers,

Once again it has been a busy term with the day-to-day learning, team excursions, sporting events and a couple of community afternoons. In reflecting on this term, it makes me think about our gratitude and what we can be thankful for and how important it is for our children to develop this skill and concept of gratitude.

I would like to thank our parent community for their continued support of our teachers and support staff of us building and shaping our students minds into inquiry thinkers and safe, respectful and empathetic citizens. I wish our families a safe holiday period and hope it brings you some joy and time together outside of work commitments.

The Education Directorate is providing another student free day on Monday, 14 October, this means that school starts with a Tuesday morning assembly for K – 6 in the hall on the 15th of October.

There is some really important information to read regarding our parent portal and next step moving towards 2025. This parent portal will be a key digital environment for a range of school to parent communication as you will see in the information below.

HATS ON FOR TERM 4

Term 4 means school hats are required for outdoor play. This means your child will require a **broadbrim** hat to play outside our fenced areas where there is less shade. We have begun planning some of the key events in term 4 which are highlighted within this message and the full calendar of events will be broadcasted first week back.

30 YEARS OLD!!

In addition, there is a small group of staff members planning the celebration for our 30th Anniversary. We are working towards a few events which we will be updating our community first week back.
